

Enfield Elementary School Supplies-5th Grade

Dear Caregivers,

We're looking forward to a fantastic and productive 5th grade year for 2018-2019. Here is an updated list of supplies your child will need for this year. We ask they be communal supplies, but if you would like to keep your supplies for individual use, please keep them in a pencil box and have them labeled.

- Ear buds or earphones for Chromebooks. These can be found at the Dollar Tree or Five Below
 - 1 Package Dry-Erase markers
 - Ticonderoga Pencils
 - Erasers
 - Washable markers
 - Colored pencils
 - Tissues
 - 'Clorox' wipes
 - Old clean sock for whiteboard eraser
-
- Ms. Blake asks students to get a plastic container with a lid for storing supplies under chairs. These are available at the Dollar Tree or Five Below

If any of these items are unavailable or represent a financial hardship, do not worry! Our community will make sure your student has what is needed.

All students also need a backpack to carry books, newsletters, and homework to and from school, as fewer items become lost or damaged in it. All students will also need to bring sneakers for gym.

We look forward to the start of another wonderful year!

Best,

Dr. Kootsikas and Ms. Blake
