

ITHACA CITY SCHOOL DISTRICT

400 Lake Street, P.O. Box 549, Ithaca, New York 14851-0549

June 26, 2018

Hello!

It is with great excitement that I introduce myself as the new principal of Northeast Elementary School, starting July 1st.

I am a native Ithacan and attended the Ithaca Schools. I have worked in the district since 2001, most recently as the Chief Academic Officer. I have spent many years overseeing curriculum and instruction for all 12 buildings in Ithaca and I am looking forward to working with the Northeast community right where the action is, where students are learning.

Coming to Northeast feels like coming home as both my children went to Northeast when we lived in the district. I know many teachers and staff at Northeast and hope to get to know you all as we work together to engage, empower and educate our students.

I have worked closely with Lily Talcott for many years as well as subbing for her at Northeast. I have been inspired by her leadership. Also, I have worked with many of Northeast's teachers and staff. I will be shifting into the Northeast front office in the next few weeks, so please stop by. I will plan some times to meet with families both at the school and in your neighborhoods. I want to hear from you about your hopes and dreams for your children.

If you would like to know more about me, here is my website that describes my professional experiences and approach to leadership.
