Join us for a facilitated conversation about the ICSD's Equity Report Card, a tool we've designed to help us think collectively about:

- how students are experiencing our schools
- the impact of our work as we seek to eliminate race, class, disability and gender as predictors of academic performance, co-curricular participation and discipline
- how we can all contribute to the goal of equity in our own roles in our schools and community

All are welcome to attend any/all sessions! We look to engage the whole community.

Co-sponsored by the ICSD, the Village at Ithaca, the Equity and Inclusion Leadership Council, and the PTA Council.
