

## Pharmacy Directory Notice

With **Express Scripts Medicare®** (PDP), you will have access to over 68,000 network pharmacies nationally. Under your plan, your prescription costs may be lower at a pharmacy that participates in the plan's network. To find a network pharmacy near you, visit our website at **www.Express-Scripts.com**. After you log in, scroll down to the "Locate a pharmacy" link at the bottom of the page. Our Customer Service representatives can also help.

In most cases, your prescriptions are covered under Express Scripts Medicare only if they are filled at a network pharmacy. We will fill prescriptions at out-of-network pharmacies under certain circumstances as described in your other plan materials.

If you need help finding a network pharmacy, please call Customer Service at the numbers located on the back of your member ID card, or visit **www.Express-Scripts.com** to access our online searchable directory. If you would like a *Pharmacy Directory* mailed to you, you may call Customer Service or request one at the website link provided above. Customer Service is available 24 hours a day, 7 days a week.
