

# VISITOR INFORMATION

**Welcome!**

**If you expect to be in this building for more than 5 minutes, please complete this brief survey.**

**To keep you and all our employees, students, and families safe, we require each visitor to record their contact information. This information is maintained so that all contacts may be identified, traced and notified in the event an individual is diagnosed with COVID-19.**

**The brief survey must be completed prior to entering.**

**If you feel that you have symptoms related to COVID-19 please consult your health care provider and if you're in an emergency medical situation, call 911.**

**You can use this QR code to complete the survey on your phone or the Chromebook in the reception area.**
