

ITHACA CITY SCHOOL DISTRICT

400 Lake Street • Ithaca, New York • 14850

NOTICE OF VACANCY

We envision 6000+ Thinkers. Thinking is foundational to the development of self and society. It is the cornerstone of all creative ideas and problem solving, new scientific discoveries, new products and services, individual and organizational learning, education, business success, interpersonal and intrapersonal communications, all social change and even democracy itself. Our vision is what we see. It motivates us. Our vision is audacious.

Our Mission is to engage, educate, and empower. We will strive to engage all students in the importance and relevance of thinking; to educate every learner to communicate, comprehend, and collaborate for understanding; and to empower all in the ICSD to achieve academic excellence.

Position Title: **Technology Implementation Specialist**
(Full-time: 38.5 hours per week)

Current Location: **Technology Department**

Brief Description: Provide daily support and advice to faculty, staff and students in effectively using and developing instructional technology applications and/or equipment. Assist in the management of district instructional technology tools. See job description [here](#) for more details.

Anticipated Start Date: As soon as possible

Posting Dates: January 4, 2021 – January 15, 2021 (Application Deadline)

Required Qualifications:

- The Ithaca City School District is committed to eliminating race, class and disability as predictors of academic performance, co-curricular participation and discipline. Qualified candidates will demonstrate a basic awareness of these commitments and a strong willingness to support these efforts.
- Any combination of graduation from a college or university and one year of full-time paid experience, or its part-time paid equivalent, as a computer support specialist, network support specialist, microcomputer technician or equivalent position providing technical desktop computer and/or network support; or, graduation from high school and two years of full-time paid experience, or its part-time paid equivalent.
- Must be eligible for Civil Service appointment as a Technology Implementation Specialist

Desired Characteristics:

- Knowledge of instructional software and hardware terminology, procedures and equipment; and
- Knowledge of personal computer hardware and software including database, spreadsheet and word-processing programs; and

- Proven ability to interact effectively with colleagues, students and their caregivers, who represent cultures that are diverse in terms of race, class, ethnicity, sexual orientation, and other characteristics in order to build an effective and collaborative, district and professional community.

Minimum Salary Range: \$55,000 (11-month full-time base)
