

## Mandatory Essay Questions

Please answer these questions in the writing sample section:

1. ICSD has a diverse student population representing a variety of races, gender identities, learning needs, social economic status, sexual orientations, languages, national origins, etc. Describe your teaching strategies and/or experiences for effectively educating students from diverse backgrounds. Please give specific examples of how you respond effectively to students who have a variety of identities, and/or respond effectively to students who are different from your own identity. How do you ensure success for every student?
2. Tell us about any personal and professional experiences you have had that would help you help us to fulfill our district equity goals.
3. The Ithaca City School District is a 1:1 district in grades 3-12. Please provide examples of how you have used or your vision for using digital technology in instruction. Also, please provide evidence of how you stay current with students' digital world.
