

# LACS TRANSPORTATION UPDATE

*Thanks to collaboration between staff and students, we are able to provide additional transportation solutions for the 2022 - 2023 school year.*

## **Morning Arrival**

Three satellite stops have been added to provide direct transportation to LACS:

- Cayuga Heights - 7:50am-8:00am
- DeWitt - 8:05am-8:15am
- Belle Sherman - 8:15am-8:20am

\*Students have the option to ride from one of these locations or will receive bus info via mail to ride in an IHS bus and shuttle to LACS.

## **IHS Shuttles**

There will still be four shuttle buses at IHS to pick up students and bring them to LACS.

Walkers/drop-offs at IHS should arrive by 8:30am and no later than 8:40am to arrive on time to LACS.

## **Danby and Caroline**

Two buses have been added for LACS in both Danby and Caroline.

## **Afternoon Drop-off**

Afternoon transportation remains the same. Four buses will depart from LACS and arrive at IHS in the afternoon.
