Re: Cooperative Purchasing award results for Computer Hardware Bid 2020-105

On April 22, 2020 the DCMO BOCES Board of Education, reviewed the award recommendations for the Computer Hardware Bid #2020-105 and approved and awarded the bid.

The attached are the results of the award of the bid. Any District in the Service may take advantage of this award, even if the District did not participate in the initial bid. The “Awarded Vendors” sheet will give you additional information concerning the awarded bidders, such as who to contact, phone number, email, etc.

Please make sure that the appropriate **bid number (2020-105)** appears on all purchase orders sent to the awarded bidders. Some awarded vendors require each purchase order to reference an additional reference number, please see the attached “Awarded Vendors” sheet for these reference numbers. Also, please make sure you use the **Vendor Item number** when ordering which is found on the bid award sheets and online. The BOCES Item number is used for our referencing and bidding purposes, however, the Vendor may not recognize our BOCES number when you place an order. If no vendor number is shown in the award booklet, then use the BOCES number along with any model number or item number found within the description of the item. **It should be noted that PCM-G is now Insight, same company, different name.**

Hardware / Software Discount Awards

When comparing discounts, it was found the Insight provided a better online price when the discount was applied therefore they were awarded the discount. However, not every item required is offered by Insight, so we have awarded a secondary discount award to B&H Photo for items not available from Insight. Insight offers a 5% overall discount off their website, while B&H provides a 2% discount off their website.

Ordering Minimums

There is a minimum ordering amount imposed on this bid. **The minimum is set at \$50.00.** If the minimum is not met on orders the vendor may charge shipping fees for any orders under \$50.00.

Files

Bid award files are available as imports for WinCap off the website.

The variance form and procedure is available on the website for your review and use should you have a problem with the quality or delivery of any item awarded on this bid. Please review the variance procedure before filling out the variance form.

Bid prices expire on **September 30, 2020**.

If you should have any questions or concerns please call me at 607-335-1262.
